

STEEL WAY COVERS

PRODUCT INFORMATION

Shaver Industries supplies Steel Way Covers, a leader in telescoping metal protection. Steel Way Covers come in a tremendous variety of profiles, therefore we offer many way cover designs, for virtually any type of way surface, no matter how unusual its size or profile. Depending on the application, way covers can be made from steel or stainless steel, and in various sheet thicknesses.

FEATURES

- Various telescoping solutions
- Cover multiple sides on a machine
- Custom designs available

KEY BENEFITS

- ✓ Alternative to sliding plate systems that are prone to locking
- ✓ Resists heavy chip load
- ✓ Maximum protection and flexibility in a wide range of environments
- ✓ Quiet operation
- ✓ Low profile & light weight
- ✓ Stainless steel option available
